25X1 Attention: [redacted]
Subject : Quotation for 1.3x Wide Field Objectives

Gentlemen:

25X1 [redacted] is pleased to submit a quotation for quantities of 1.3x objectives. Our quotation is based on supplying objectives of performance characteristics similar to those provided in the prototype supplied under your order number 65-100, 563.

25X1 Manufacturing costs have been estimated in quantities of 50 through 300 each (25 through 150 pair). Prices are estimated at a cost of [redacted] per objective in quantities of 50 through 100, [redacted] in quantities of 100 through 200, and [redacted] in quantities of 200 through 300. Delivery can begin within 30 weeks after receipt of your order, and follow at the rate of 50 objectives per week thereafter.

We would be pleased to meet with your technical representatives to firm up performance specifications for these production quantities.

I hope this information will be of assistance to you. If you have any questions concerning our quotation, please contact the writer directly.

Very truly yours,
